Summary

I'm a Web designer, developer and always a tech enthusiast too. I am experienced in using programming languages such as C , C++ , JAVA , HTML5 , CSS , JAVASCRIPT , JQUEREY , WordPress to architect websites and much more from scratch . Since computer education is a vast field, I believe that open source material studies will be successful here. I want learn more programming languages and Achieve a good carrier in Tech industry . I am a +2 Computer Science student .
